CORPORATE MEMBER RENEWAL

The members of the Board of Directors wish to express their sincere appreciation for your past year's support as a corporate member of The Engineering Society of Buffalo.

Through contributions from members like you, we are able to provide 16 annual scholarships, publish ten issues of the *WNY Engineer* newsletter, assist local teams competing in national competitions, support Professional Licensing examination preparation classes (joint with NYSSPE and UB), provide a clearinghouse for certification courses, and work jointly with other technical organizations across Western New York.

As we move through 2024, ESB leadership will initiate new plans to bolster our reputation as a respected technical organization providing educational, career, volunteer, fellowship, and networking opportunities for our members and community. Stay tuned!

Please return this form along with the \$200 corporate membership dues payment by February 29th. Use the back page to enroll up to five contacts for full membership honors.

If you have any questions, suggestions, or ideas for us to consider, please feel free to text Frederick Fedri, P.E. at 214-475-6433 or via email at ffedripe@gmail.com.

Best regards and thank you!

Corporate Membership Dues \$200
